- Any US Citizen

MAJOR DUTIES:

The staff psychologist holds a state license to practice psychology and has at least one year pre-doctoral work experience and one year postdoctoral work experience as a psychologist in the VHA or a comparable professional setting. The psychologist applies advanced professional psychological diagnostic methods and evidence-based intervention strategies to a full range of patient problems in his/her work setting. S/he has advanced knowledge of psychological diagnosis, intervention, and behavioral health that qualifies him/her to provide advice and consultation to professionals representing a variety of disciplines. The primary job functions of psychologists at this level include the provision of direct psychological patient care, consultation services on difficult or complex cases, and education of staff and trainee supervision. However, some psychologists functioning at this level also have research obligations, associated with a university faculty appointment, collateral supervisory responsibilities, and limited administrative/managerial duties.

THIS POSITION IS IN THE BARGAINING UNIT

QUALIFICATION REQUIREMENTS:

Eligibility: Department of Veterans Affairs Qualifications Standards (VA Handbook 5005, Part II, Appendix G18) applies and may be reviewed in the Human Resources Management Service Office.

Basic Requirements:

- Must be a citizen of the United States.
- Doctoral degree in psychology from APA Accredited Graduate Program in an area of training consistent with the assignment for which the applicant is to be employed.
- Internship in professional psychology accredited by the American Psychological Association.
- Professional Psychology Licensure: States, License Numbers, dates of original licensure. A psychologist must hold a full, current and unrestricted license to practice psychology at the doctoral level in a State, Territory, Commonwealth of the US, or the District of Columbia. The secretary may waive the requirement of licensure for a period not to exceed two years from the date of employment on the condition that such a psychologist provide care only under the supervision of a psychologist who is licensed.

Experience:

GS-11: None beyond the basic requirements.

GS-12: In addition to the basic requirements at the GS-11 level, at least 1 year of experience as a professional psychologist equivalent to the next lower grade level. Individuals assigned as GS-12 psychologists may be in the process of obtaining licensure at the independent practice level. If unlicensed, the individual must be supervised by a licensed psychologist and the experience and supervision must meet the standards for psychology licensure.

GS-13: There must be two or more years of clinical experience comparable to what one would get in a VA setting, either by post-doctoral employment or two years of employment as a psychologist. A psychologist must be licensed at the GS 13 level.

(Continued on next page)

The preferred applicant will demonstrate the following KSA's through their experience or training:

1. The ability to work independently providing individual, family, and group psychotherapy, assessment consultation, and education to an adult patient population.
2. Experience working with patients with comorbid substance use disorders and PTSD.
3. Ability to work within a multidisciplinary team setting, and strong interpersonal skills.

BASIS OF RATING: (Knowledge, Skills, Abilities (KSAs))

Applicants must demonstrate through their experience or education that they possess the following published KSAs(from VA Handbook 5005) for the grade at which they wish to apply (and grades below that grade if applicable):

For GS-12:

1. Knowledge of, and ability to apply, a wide range of professional psychological theories and assessment methods to a variety of patient populations.
2. Ability to develop coherent treatment strategies.
3. Ability to incorporate new clinical procedures.

For GS-13: (In addition to the KSAs above, applicants must demonstrate the following):

4. Knowledge of, and ability to apply, advanced professional psychological theories and techniques to the full range of patient populations.
5. Ability to provide professional advice and consultation in areas related to professional psychology and behavioral health.
6. Knowledge of clinical research literature.
